

UNSTUCK AND ON TARGET

WEBINAR SERIES FOR CAREGIVERS OF CHILDREN WITH AUTISM

Presented by Julia Barnes, PhD
Associate Director
Executive Functioning (EF) Clinic

SESSION DATES:
MAY 1, 8, 15, & 22, 2023
5:30-7:00PM MST

REGISTRATION CLOSES MONDAY, APRIL 24TH

This live, 4-session webinar will provide caregivers of children on the autism spectrum with an improved understanding of executive functioning (EF) difficulties that impact their child's daily functioning and teach caregivers tools to support their child with EF struggles. Through use of a flexible e-learning tool called "e-Unstuck and On Target" and live educational presentations, caregivers will learn strategies to understand and address their child's difficulties with regulation of feelings, behavior and thinking.
